

ATHLETICS WEST

BURNETT ENCOURAGEMENT AWARD

Nominations for the Burnett Encouragement award are open to all athletes at Ridgewood Athletics Centre that have competed for at least 75% of the summer season. Clubs can nominate up to TWO (2) athletes per club.

Nominations are to be supported by addressing the following areas for consideration by providing examples related to the nominee. Nominees that do not meet all the criteria can still be nominated. However, nominees that cover more areas of consideration will stand a better chance of a successful nomination.

- The athlete is not necessarily a champion.
- An athlete that is always trying their best to improve themselves.
- An athlete that encourages and helps others.
- An athlete that has shown good sportsmanship.
- An athlete that is polite and courteous.
- An athlete that shows concern for others.
- An athlete that respects the officials and the rules.
- An athlete that helps with younger athletes at club or Centre level.

Nominations are to be received by the Ridgewood Athletics Centre Secretary via email no later than 14 calendar days prior to the Ridgewood Athletics Centre Annual General Meeting and Awards. Exact dates will be provided to clubs each season.
